

CENTER COURT - Tournament Grade

Premium Acrylic Surface

Center Court is a tournament grade acrylic recreational surface. Center Court is a sand infused acrylic color concentrate designed for a nonskid, safe player experience. Available in 9 standard colors and custom colors upon request, our Center Court allows you to unleash your creativity when designing your court layout.

Engineered with premium acrylic polymers and reinforcing pigments, Center Court is long lasting, durable and even textured providing a non-glare surface with 50% reduced wear.

DURABLE

- ▶ Guards asphalt and concrete as it beautifies. Protects against surface water related damage.

LONG LASTING

- ▶ Premium 100% acrylic polymer fortified with reinforcing pigments provide up to 50% greater wear.

EASY TO USE

- ▶ Engineered for improved ease of use. Just add water, mix and apply.

PERFORMANCE ENGINEERED

- ▶ Contains proper aggregate for playability and nonskid performance.

UNIFORM & NONFADING COLOR

- ▶ Consistent quality control color matching at the factory assures uniform color, even on large projects. Pure inorganic pigments assure no fade or color change for years of service.
